1. Persona Profile

Target Persona: Beauty Consumer & Skincare Analyst seeking personalized product recommendations and price transparency.

2. Empathy Map Breakdown

- SAYS: 'I want to find cosmetic products that suit my skin type without overpaying.'
- THINKS: 'Are expensive luxury brands really better rated than affordable ones?'
- DOES: Searches online reviews, compares ingredients, and filters products by skin suitability.
- FEELS: Overwhelmed by thousands of product choices and inconsistent marketing claims.

3. Key Insights & Opportunities

Providing a data-driven dashboard that aggregates rank, price, brand, and skin-type compatibility enables users to make confident choices.
